Education

B.S. in Computer Science August 2022 - May 2026 (Expected)
California State University, Fullerton

- **GPA:** 3.66/4.00,
- **Relevant Coursework:** Intro to C++ Programming; Mathematical Structures; Linear Algebra; Object-Oriented Programming; Calculus I, II; Data Structures; Cybersecurity Fundamentals and Principles

High School Diploma August 2018 - May 2022
Northwood High School, Irvine, CA

- Graduated Summa Cum Laude (GPA: 4.5)
- Pride of the Pack Award

Technical Skills

- Programming Languages: Proficient with C++; Familiar with Java, Python
- Working knowledge of Linux, Github, Visual Studio Code, VI,
- Proficient with Mac, Windows, Google Suite

Work Experience

High Performance Compute Unit Student Assistant September 2023 - Present
California State University, Fullerton

- Assisted in forming solutions to modify code to operate optimally with the Hight Performance Compute Unit
- Worked with IT staff and students

Student Assistant March 2022 - Present
College of Communications , California State University, Fullerton

- Preformed inventory and maintenance on 500+ unique pieces of camera equipment
- Assisted in transferring data during system changes
- Work ~10 hours per week during the school year

Computer Science Projects

- Data Structures Class Project 1 - Vector Class
- Object-Oriented Programming Final Project - Back-end logic for Wordle like game

Extracurricular Activities/Leadership Roles

- Algorithms Team Officer, Association of Computing Machinery (ACM)
- PUT SOMETHING HERE
- Shooting Short Films for Film Festivals
- Club Member, Fullerton Ultimate Frisbee
